Re: **Booster Club Coaches Appreciation breakfast**

On behalf of the North Hunterdon High School Athletic Department, I am thanking you for the nutritional breakfast provided for the coaches on National Coaches Day.

The Athletic program's success at North Hunterdon High School is based on commitment by student-athletes, parents, coaches, and the school. Coaches dedicate themselves to hard work to improve their leadership skills and techniques while maintaining performance at practices. North Hunterdon High School appreciates all the great support given to our athletic teams by the Booster Clubs, coaches, students, parents and faculty.

It is community parents like you with your continued hard work and dedication to the Athletic program that makes North Hunterdon High School provide positive experiences for our students.

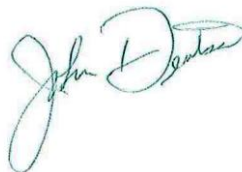

Keep up the good work. You are wonderful people and we are lucky to have you in our community.

Thank you.

Sincerely,

Richard A. Bergacs, Ed.D.
