

Bible Club / Friday Morning Lights

Meeting Time – Friday Morning at 7:00 in room 135

The Club is generally referred to as “Friday Morning Lights”. It is a play on the idea that scripture is light to guide our life. Consequently, all school announcements call it “Friday Morning Lights”.

Bible Club is a non-denominational fellowship of Christian students. It is strictly student run. Students meet on Friday mornings for encouragement and prayer. Students take turns giving devotional studies to each other. There is no set curriculum for the Bible studies. The students have historically used this time to share their personal struggles and prayer requests with each other. They also use this time to help students to find spiritual help and strength for their personal journeys. Primary in discussions is the need to learn how to be a blessing to other students by being good listeners and friends.
