Key Club is a 100% Student-Run International Organization. The purpose of Key Club is community service. We work with our area Key Clubs and New Jersey Key Clubs toward common service goals and commit ourselves always to our immediate community. We believe in the strength and power of young people - their passions, their goals, their commitment. If you believe that individuals can make a difference and that determined individuals who work together can make a difference ... anywhere, JOIN KEY CLUB!!

We meet on the first and third Monday of every month in the New Cafe.
